Ministry of Equipment and Transport

AFRICA'S LEADING SHOW FOR LOGISTICS, MOBILITY, IT, CARGO AND SUPPLY CHAIN MANAGEMENT

ENABLING TRADE, ENHANCING CONNECTIVITY AND DRIVING GROWTH ACROSS KEY ECONOMIC SECTORS

Taking place under the patronage of H.E. Ely Ould El Veirik, Minister of Equipment and Transport of Mauritania, **Africa Transport Logistics Conference and Exhibition** is **Africa's leading show for logistics, mobility, IT, cargo and supply chain management** focusing on economic development, enabling trade, enhancing connectivity and driving growth across key industrial sectors, from oil & gas, mining, renewable energy, agriculture, aquaculture, industrials, healthcare, manufacturing, finance, IT, maritime, shipping, utilities to real estate.

Africa Transport Logistics Conference provides a platform for global thought leaders, CEOs, government ministers, and industry experts to debate & address some of the biggest challenges, share key trends and insights on some of the most forward-looking topics to help **shape the future of transport and logistics in Africa.**

Featuring keynote presentations, cross-industry panels, and in-depth case studies, the Conference will explore the trends and dynamics of the future-ready transport logistics through **innovation, investments, digital transformation and sustainable development.**

Position your company at the forefront of innovation and transformation in transportation, supply chain and logistics, alongside **40+ exhibitors** from across global business ecosystem. We expect over **1000 senior level executives** from international organisations, governments and stakeholders from more than 20 countries for **2 days of partnering, networking and business matching.**

Africa Transport Logistics Conference and Exhibition is held in **Nouakchott, Mauritania**, where local, regional and international participants will showcase **international best practices, pioneering research, development solutions, advanced trends, innovative products and new technologies** for more efficient and even faster transport and logistics services.

WHAT TO EXPECT

STRATEGIC CONFERENCE & DISCUSSIONS

Our industry leaders provide new perspectives, share cutting edge knowledge and insights to understand the rapidly changing industry.

Panel discussions, keynote & premium presentations or fire side chats present a perfect platform for more intellectual discourse. Moreover, conversations with other like-minded individuals provides a great opportunity to exchange viewpoints and foster new business contacts.

EXHIBITION FLOOR

At Transport Logistics Events, the exhibition floor provides attendees the perfect opportunity to discover the latest product, projects and experience the latest technological gadgets and applications in person.

Speak to companies CEOs and discuss the feasibility of the projects and solutions. At the same time witness how latest innovations can be applied to enhance various processes in the transport sector, in ways never even previously thought possible.

NETWORKING MEALS & EVENING DRINKS RECEPTION

Food and drinks always make excellent conversation starters. Hence Transport Logistics Events devote substantial time to create the perfect environment for relaxed, casual networking meals and drinks.

With no set time limit on how long each meeting should last, attendees can freely mingle and discover new opportunities and contacts. The team is also on site to match make attendees based on their common business profiles or objectives.

1-2-1 MEETINGS

Undivided one to one attention is a tried and tested networking method. They can be a great platform to have confidential, direct and targeted conversations. Transport Logistics Events, with the help of the virtual business matching tool or on site staff introductions, facilitate such networking opportunities.
